

# Support Proposal

For Raffle/Auction Prizes, Donations and Volunteering

**We are a small charity with big hearts and big ideas, helping Queensland kids in care.**

Supporting our charity is supporting kids that have been victims of domestic violence. They have been taken under the protection of The Department of Child Safety and placed in Residential Care, to save them from neglect, physical, psychological and sexual abuse. These are all forms of domestic violence at the hands of their own parents. This is the worst form of betrayal of a child's love. Parent's instincts should be to protect their own child at all costs, but not for these kids.

These children have been removed from an unsafe home environment by Child Safety, and spend Christmas away from their families and friends. 'Residential kids' have not been able to be placed with a foster family, so they end up living in homes with only paid carers to look after them.

# Help us show them that we care!

## Our campaigns:

### Christmas Presents for Kids in Care

Each Christmas season we provide gift for over 500 children who are placed in the residential care system by the Dept of Child Safety. When we receive a child's name, age, and their interests, we hand pick individual present for each child to ensure they receive a gift tailored to them. This means they do not receive a generic gift for Christmas.

### Operation Backpack

We buy a backpack for every newly placed child under the protection of Child Safety that end up as residential kids. The backpack is full of essential items plus a fun gift item. The kids love their new backpack, it helps them though this tough time in their young lives.

### Tutoring for Kids in Care

We are starting up in 2024 'Tutoring for Residential Kids'. Children in the residential system often struggle at school. Our charity would like to offer these children one-to-one tutoring, so they stay engaged at school.

**We need help to do all of this!**

# What your support can mean to you.

We know that companies care about social problems in our community, and we want the public to know that your support is important to our charity, through brand recognition.

We do many events and fundraisers during the year, where we need your support with raffle and auction prizes, some event will suit your company more than others.

The biggest event in our calendar, every year, is our Santa Jetski Fundraiser Ride in December. We always have a massive media response to this event. It literally has been around the world! Reuters contacted us, people love this fun event! The event received coverage on Channel Seven and Nine; and we have been in three different magazines, one of them from USA.

Another big event of the year is our Themed High Teas, like our Breakfast at Tiffany's High Tea in September 2023.

# Support Needed Please

## Raffle and Auction Prizes

**Vouchers for meals.  
Vouchers for  
Accommodation.  
Products.
